2023 EDUCATION OUTREACH TRAINING CALENDAR

Dates for 2023 IMechE education outreach training announced!

Whether you are an existing STEM Ambassador, or interested in getting involved in education outreach, join us for this series of free CPD training sessions exclusive to IMechE members.

Training includes virtual and in-person sessions combining presentation and discussion, as well as hands on practical activities. Each training session covers a different topic and will provide you with the opportunity to engage and learn from experts, as well as each other and develop your own skill-set and confidence.

Activities Calendar

Tuesday 28 Feb, 18:00–19:00	Make 2023 Your Year of Inspiration
